Let's be remarkable.

Start something big today. Apply now:

Trainee in Manufacturing department (f/m)

Manufacturing department

Location: Pecinci

Do you want beneficial technologies being shaped by your ideas? Whether in the areas of mobility solutions, consumer goods, industrial technology or energy and building technology – with us, you will have the chance to improve quality of life all across the globe. Welcome to Bosch. As a technology leader and global partner of the automotive and automotive supplier industry the business unit Electrical Drives develops and manufactures within an international community innovative electric drives for actuating systems, engine cooling, vehicle air conditioning and windshield cleaning. At our Pecinci location we are manufacturing and developing wiper systems and wiper blades. By providing a wide product range of innovations and doing pioneer work since decades our customers receive products which help amongst others to save fuel and reduce CO2 emissions.

Your contribution to something big

- ▶ Coordination of needed tests for BMW
- ▶ Communication with customers
- ▶ Milestone tracking

What distinguishes you

- ▶ Target oriented thinking with attention to details
 - ▶ Team player good at multitasking
 - ▶ Good communication and organizational skills
 - ▶ Good knowledge of MS Office
 - ▶ Excellent knowledge of German is a must
 - ▶ Good knowledge of English
- ▶ Preferred field of study: **Faculty of Mechanical Engineering, Faculty of Organizational Sciences, Faculty of Technical Sciences**, or comparable field of study.

Make it happen.

If you believe you are the right candidate, please send your **CV in English** to bojan.drmonjic@bosch.com no later than **June 6th 2017**. Only shortlisted candidates will be contacted. www.start-a-remarkable-career.com
